Hi Annie, Daniela and Della,

I have a Superior Court trial starting on November 10, 2009 involving sample numbers [REDACTED]
[REDACTED] I would not need testimony from a chemist until the afternoon of November 12 or the morning of November 13. What do each of your schedules look like that week and even going into the following week on November 16?

FYI I will be able to get the Boston Police drug unit to give you a ride into court and I can probably give you about 1 hour lead time.

Thanks,
